Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 25 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright with a few showers this afternoon. Rain arriving tomorrow.

Today:
A dry and bright start to the day for most with variable cloud amounts and some good sunny spells. Through the afternoon a few showers may develop, these locally heavy although some will stay dry. Feeling mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
Becoming windy overnight with variable amounts of cloud but still with some lengthy clear spells. Some showery rain is possible later in the night, although many will remain dry. Minimum temperature 7 deg C (45 deg F).

Friday:
A cloudy start with some showery rain possible but also some sunny spells. Becoming windier with a spell of rain through the afternoon clearing to bring further showers by evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Chilly, bright and breezy on Saturday with showers fading. Windy and milder again on Sunday and Monday but dry with spells of sunshine.
